OIT NOTICE 20-36-86
23 December 1986

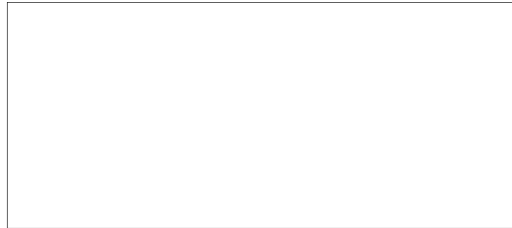

OFFICE OF INFORMATION TECHNOLOGY

Establishment of OIS/OIT Transition Team

This Notice Expires 23 December 1987

1. It is anticipated that the Office of Information Services (OIS) will be dissolved in the near future resulting in the reassignment of some OIS functions into the Office of Information Technology (OIT). The Information Resources Management Division, all rotational registry and records management staff, and portions of the Plans and Management Staff and the Personnel and Training Staff will transition into OIT. In anticipation of this merger, the Deputy Director for Administration has established a joint OIS/OIT Transition Team. The team members are:

Chairman
Deputy Chairman
Members

The team's purpose is to oversee all of the personnel and functional aspects of this merger.

2. In announcing this merger to the OIS careerists, Mr. William F. Donnelly, the Deputy Director for Administration stated: "I realize that this merger will be difficult for a short time. It will demand the fullest cooperation from both Offices to make that marriage successful. I look to the transition team to ensure that this effort proceeds smoothly and with great concern for people. I ask each of you for your support of this team as they work on this effort."

3. I have told Mr. Donnelly that OIT will cooperate to the fullest extent and with prime concern for the people. I ask your cooperation, support, and assistance to the Transition Team in this endeavor.

Edward J. Maloney
Director of Information Technology

Distribution: All OIT Employees
